

CEU Credit:

To receive credit with the Construction Industries Board, all attendees must bring with them to the class date their applicable license (plumbing or mechanical) and a photo ID. Applicants will be required to sign in at the beginning of the class period, tardiness will not be accepted.

Code Materials:

All applicable Code books will be provided for use during the class and will be returned following instruction. (These books will include 2003 International Fuel Gas Code, the 2003 International Residential Code, and the 2003 International Mechanical Code) Books will be available for purchase after the classes upon request.

Cancellation Policy:

Classes may be cancelled or rescheduled up to TEN (10) business days before the registered start date. An administrative fee of \$25.00 will be charged per participant if a class is cancelled or rescheduled with less than TEN (10) business days before the registered start date for a specified class period. For canceling less than SEVEN (7) business days before the registered start date, half the registration cost will be charged to the customer. The full price of the class will be charged if cancelled or rescheduled THREE (3) business days before the specified start date for a specific class period. No-Shows are likewise charged the full price of training. For emergencies make-up sessions may be scheduled and fees waived at the discretion of PHCC.

Employee substitution for a class is permissible at no extra charge permitting a valid license number is given for the attendee prior to the class period.
